## Class Schedule

Mighty Mites 10:00—10:30am

Youth Basic Hockey 10:30am - 11:00am

### Dates:

1/9, 1/16, 1/23, 1/30, 2/6, 2/13

## Our Goal

Our goal here at the Charlottesville Ice Park is to provide an atmosphere that develops the proper attitude, discipline and work ethic necessary to help players become the best person and athlete they can be.

## Equipment Needed

All players will need to wear pants to class, along with a long sleeved shirt. All hockey classes will require all players to wear ice hockey—specific equipment, including: helmet with full facial protection, gloves, shin pads and elbow pads. All players are also required to have their own hockey stick and tape.

## Rental Equipment

### Available for Class

For an additional \$20.00 you can rent all of the required equipment needed for class. If renting equipment, we ask for you to call ahead and make an appointment to be fitted. Being fitted in advance for equipment will save you time on class day and will also educate you on how to dress yourself or your child properly for class.

\*The Ice Park cannot guarantee rental equipment if you are not registered in advance for class.

\*Rental equipment is to remain here in the building and may not be taken home.
